January 9, 2020

Dear

On behalf of Ranger Rod & Gun Club, we would like to request a gift-in-kind contribution that would benefit our Annual "Dream Come True" Fishing Day. We have been hosting this event since 1985. This year the event is scheduled for Saturday, April 18, 2020.

Ranger Rod & Gun Club is a non-profit organization that has been involved with the community for more than fifty years. Some of our main goals are to promote the sports of fishing and hunting, environmental factors, continued safety and education of our youth and future leaders within our community.

Any contribution that you would consider toward our "Dream Come True" Fishing Day would be greatly appreciated by the Executive Board, the general membership, and the children whom we serve. The *true* gift at this event, for our organization, is a day filled with fun and smiles for all the kids.

Thank you for your consideration and support for Ranger Rod & Gun Club, and its efforts toward promoting activities for our youth.

Sincerely,

Ranger Rod & Gun Club
Executive Board

Event Coordinators:
Brenda Keyser - 610-393-8623
Diane Meckel - 610-392-5725

Please return this portion with your donation.
